INVITATION & CALL FOR PAPERS

The PGF offers young scholars in the field of American Studies a forum to present current research projects as work in progress. We welcome contributions from various disciplines focusing on the study of American cultures and literatures. The presentations should be 15-20 minutes long and will be followed by a discussion.

This year's PGF is hosted by the American Studies team at Chemnitz University of Technology from 3rd - 5th November 2006.

Please hand in suggestions for presentations (title, abstract, and a short biographical note). Abstracts will be collected in the printed program. Whether you are planning to present or not,

please do register/submit your abstracts by **15th September**.

The conference will take place at our Straße-der-Nationen-campus, in the "Altes Heizhaus"-building. Further information on the conference as well as on accommodation at reasonable rates will soon be published on the website www.dgfa.de/pgf.
